No.	Issue	Discussion	Action	Member	Deadline
1	Raising questions with client	<p>The team raised a number of questions related to processes and functionality with the client.</p> <ul style="list-style-type: none"> Worker hours – these will be weekly (I.e. not date specific) User story acceptance criteria – stories that rely on valid login add these conditions as <i>and</i> statements under the <i>given</i> condition Only admin users will register a worker (I.e. workers cannot self register) Admin users will create a worker and link them to a specific service. Users can then login and find workers based on that service and view their availability. 	Update user stories and any implemented functionality to reflect these points	All	13/8 (MS1)
2	Sprint 0 Review	The team went over Sprint 0 progress – creating user stories based on the functional specs, and setting up Github, ClickUp, and Teams. Reza commented positively on team progress, only pointing out that some user stories needed to be more specific.	<p>Continue to work on User Stories prior to MS1 (and Sprint 1 end)</p> <p>Add user stories to product backlog on ClickUp</p>	<p>All</p> <p>Ali</p>	<p>13/8 (MS1)</p> <p>11/8 (Stand-up)</p>
